

## ***LET'S FINISH!***

*"if only I may finish my course and the ministry that I received from the Lord Jesus..." Acts 20:24*

Dear Beautiful Feet family,

We have just passed the one year mark of our "Next Step" capital campaign and we have raised \$608,500 to date! Our new building is estimated to cost approximately \$1,039,000. Thus, we are just \$430,500 from our goal! Thanks to all of you who have contributed to this great cause! We're almost there!

We recently received a foundational grant challenge that states if we raise \$330,500, they will then pay the remaining \$100,000! But here's the catch- we must raise these funds by March 31st, 2016; that is only four months away. We really need everyone's help to get us to this finish line. If you haven't given yet, please prayerfully consider a gift to this campaign. If you have already given, please help us reach this goal by sharing our cause with your friends and family. Perhaps you could also host an in-home gathering to share our vision of how Beautiful Feet can continue to minister to the poor and homeless of the inner city. Our staff will gladly help with this endeavor. If there ever was a time for "all hands on deck", now is the time! It's going to take all of us working together as the Beautiful Feet family.

Now, I'd like to give an update on our building plans, as they have changed since last I wrote to you. We have decided to take the ministry's vision and build in phases. This way, we can pay for our needs as we receive the funds; with our new plan we will be spending less by building multiple smaller buildings (a campus approach) verses one large facility. We have laid out our priorities as follows:

- 1) Expand our men's discipleship home from 6 beds to 12. (Completed: 11/20/15)
- 2) Build a multi-purpose building, including a gymnasium for an after school program, (which will also serve as a large cafeteria so the homeless will not have to eat outside), a new updated kitchen, new expanded showers, new expanded washer and dryer facility, offices, and 2 classrooms. (Completion date: 11/01/16)
- 3) Begin a women's discipleship program with the purchase of an off campus home in a safe environment. (Completion Date: 2016)
- 4) Build an on-site medical and dental clinic. (Completion date: 2017)

The good news is we have just completed our first priority, and are now taking applications for our expanded men's discipleship program!

We will break ground and begin construction of our multi-purpose building in the first quarter of 2016. As I mentioned before, our board has decided to keep the ministry completely debt free; this means we will only build to the level of our funds. We are hoping and praying that God will continue to bless this ministry with the remaining funds needed. To give to the Next Step Building Campaign and to help us reach this \$330,500 goal, please go to [www.thefeet.org/donate](http://www.thefeet.org/donate) and select the purpose "Next Step".

And finally, Beautiful Feet is once again reaching out to the poor families living in the inner-city through our two Christmas events. First, on December 11<sup>th</sup>, we will host our Christmas Caroling Blitz where we will have 50 hayrides traveling through neighborhoods around Fort Worth, going door-to-door, singing Christmas carols, giving gifts, and praying with families. It is an exciting and meaningful evening of bringing the hope and love of our Savior to those living in the inner city. Then, on December 18<sup>th</sup>, we will take gifts and food to over 150 families who have come to us for assistance during the holidays. Whether you live in the Fort Worth area and can physically join us, or live in another city, you can be a part of these Christmas outreach events. For more information, please visit our website at [www.thefeet.org](http://www.thefeet.org).

Thank you for taking the time to read this, and more importantly for being a part of this great ministry. Please continue to pray for Mike and Sarah Myers and their leadership. Please also continue to pray for God's favor on Beautiful Feet. We know God is greater than all of our needs.

May we remain forever faithful to Him!  
God bless you,

Paul G. Boitmann
